Weekday School

Registration Information

2024-2025 School Year

Thank you for your interest in our ministry. Nashville Methodist Church Weekday School is a morning preschool for children who will be 18 months, 2, 3, 4, and 5 years old by **August 31, 2024**. Our goal is to provide a safe, positive, loving environment in which children have the opportunity to learn and grow intellectually, socially, emotionally, spiritually, and physically. We are a ministry of Nashville Methodist Church. As a church ministry, we share our faith through: a short weekly chapel program presented by members of the church staff, daily Bible readings, prayer, and our efforts to model Christian values. We admit children into our ministry without regard for race or country of origin.

If you have questions or would like a tour of the facility, please call the Weekday School Office (252) 459-7636 to schedule an appointment.

Three and four year olds need to be toilet trained to attend our Weekday School. If needed, we will work with you on this for a 1-month trial period. We expect and understand occasional accidents.

Currently enrolled students or siblings' applications will be accepted in your child's folder.

On the preference information sheet, you will be asked to indicate your preference of days and appropriate age group. The specific classes we offer may be affected by demand and staff availability. If you are only willing to accept one choice, then please indicate only that choice. Please note: If you do not receive your first choice of class it does not hurt your chances of getting in your second choice class. There are also some extra options listed on the preference sheet which will be offered as demand allows. If you have questions regarding those, please contact the Weekday School Office.

We are not able to honor requests for specific teachers. We make every effort to hire teachers of the highest caliber, and therefore feel confident that your child will be in excellent hands no matter which teacher they are assigned.

Any applications received after the deadline has passed will be used to fill vacancies remaining after class assignments are made. When vacancies are filled, any remaining names will be placed on a waiting list and the registration fee and advance tuition for those children will be returned.
